1. DEFINITIONS AND SCOPE

"Client" means the person or business that engages DEVRIAN. "Services" means the work described in the signed proposal, quotation or invoice. "Proposal" includes any quotation or written scope. These terms apply to all Services unless a signed Proposal states otherwise in writing.

2. ACCEPTANCE OF TERMS

By paying an advance, signing a Proposal, or confirming in writing (email or WhatsApp), the Client accepts these Terms and Policies. Work begins only after the advance and required materials are received.

SECTION 02: COMMERCIAL TERMS, PAYMENTS, REVISIONS & TIMELINES

3. PRICING AND TAXES

Prices are as stated in the Proposal. DEVRIAN is currently not registered under GST, so GST is not charged. If registration is obtained later, applicable tax will be charged on new invoices from that date.

4. PAYMENT TERMS

An advance of 50% is payable before work begins. The balance is payable within 48 hours after project completion and approval. Payments are accepted by UPI or bank transfer to the details printed on the invoice.

5. LATE PAYMENT

If a payment is delayed, both work and delivery stop and resume only after the payment is received. Timelines are extended by the length of the delay.

6. TIMELINES AND CLIENT RESPONSIBILITIES

Timelines start after the advance and all required materials (footage, scripts, logos, brand assets) are received. The Client will provide materials and feedback within 48 hours of each draft. Delays by the Client extend the timeline accordingly.

7. REVISIONS

2 rounds of revisions per deliverable are included within the approved scope. A new concept, new footage or a changed brief is a new scope and will be quoted separately.

8. DELIVERY, APPROVAL AND OWNERSHIP

The full final work is shared only after full payment. After full payment the Client owns the final videos/deliverables. Raw project files and source files remain with DEVRIAN unless agreed otherwise in writing.

SECTION 03: ASSETS, CONFIDENTIALITY & CANCELLATION FRAMEWORK

9. PORTFOLIO AND SHOWCASE

DEVRIAN will showcase the delivered work in its portfolio and on its channels by default for all clients. An exception is made only if the Client requests confidentiality in writing and DEVRIAN agrees, or if DEVRIAN itself decides not to showcase it.

10. THIRD-PARTY MATERIAL AND LICENCES

The Client is responsible for the rights to any footage, music, images, logos or text supplied by the Client. DEVRIAN is not liable for claims arising from client-supplied material. Stock assets, music licences and ad spend are not included unless stated in the Proposal.

11. CONFIDENTIALITY

Both parties will keep non-public business information shared during the project confidential, except for work shown under Clause 9.

12. CANCELLATION AND REFUND

Cancellation and refund terms for all engagements are strictly governed by the following provisions:

12.1 Cancellation and refund requests must be sent by email to inquiry@devrian.in (mandatory) and also communicated on WhatsApp.

12.2 An advance can be refunded only if the request is made within 7 days from the date of the advance payment. After 7 days there is no refund.

12.3 Even within 7 days it is not a full refund. A fixed 50% of the advance is retained, plus the work already done is charged at the standard rate stated in the Proposal (not any special or discounted rate), in proportion to the work done.

12.4 Any video or deliverable whose work has started counts as one full unit at the standard rate. Units already completed and shared are also counted.

12.5 If the retained amount plus the work done is equal to or more than the advance, no refund is due and the difference is payable by the Client at the standard rate.

12.6 On cancellation, all work done is counted and all of that work is shared with the Client at the end.

12.7 Any eligible refund is processed within 15 working days.

Clause 12 Worked Settlement Calculation: Advance ₹6,000 paid on a ₹10,000 package. Client cancels on Day 3 (within 7 days). 1 deliverable completed at standard rate of ₹1,500. Retained share (50% of ₹6,000) = ₹3,000. Completed work = ₹1,500. Total deductions = ₹4,500. Net refund payable to client = ₹1,500 (disbursed in 15 working days).

SECTION 04: OPERATIONS, BACKUP, SLA & LEGAL JURISDICTION

13. COMMUNICATION AND WORKING HOURS

DEVRIAN replies to client messages and emails within 24 working hours. Working days and hours are Monday to Saturday, 10 AM to 7 PM. Messages outside these hours are handled on the next working day.

14. BACKUP AND RETENTION

DEVRIAN keeps a backup of final delivered files for 30 days after delivery. After that period files may be deleted and the Client is responsible for keeping their own copies.

15. LIMITATION OF LIABILITY

To the extent permitted by law, DEVRIAN's total liability for any claim relating to the Services is limited to the amount actually paid by the Client for the specific project. DEVRIAN is not liable for indirect or consequential losses, business results, reach, sales or platform decisions (for example account actions or algorithm changes). Results of marketing work depend on factors outside DEVRIAN's control and are not guaranteed.

16. TERMINATION BY DEVRIAN

DEVRIAN may pause or end the engagement for non-payment, abusive conduct, unlawful requests, or repeated failure to provide materials. Clause 12 applies to settlement.

17. FORCE MAJEURE

Neither party is liable for delay caused by events beyond reasonable control (power or internet failure, natural events, platform outages, government orders). Timelines are extended accordingly.

18. DISPUTES AND JURISDICTION

The parties will first try to resolve disputes through good-faith discussion by email. These terms are governed by the laws of India, and courts at Mathura, Uttar Pradesh have exclusive jurisdiction.

19. CHANGES TO TERMS AND ENTIRE AGREEMENT

DEVRIAN may update these Terms; the version in force when the Proposal is accepted applies to that project. These Terms together with the signed Proposal form the entire agreement.
